that indonesia s ongoing occupation of west papua continues to be largely ignored by world governments is one of the great moral and political failures of our time west papuans have struggled for more than fifty years to find a way through the long night of indonesian colonization however united in their pursuit of merdeka freedom in its many forms what holds west papuans together is greater than what divides them today the morning star glimmers on the horizon the supreme symbol of merdeka and a cherished sign of hope for the imminent arrival of peace and justice to west papua morning star rising the politics of

decolonization in west papua is an ethnographically framed account of the long bitter fight for freedom that challenges the dominant international narrative that west papuans quest for political independence is fractured and futile camellia webb gannon s extensive interviews with the decolonization movement s original architects and its more recent champions shed light on complex diasporic and intergenerational politics as well as social and cultural resurgence in foregrounding west papuans perspectives the author shows that it is the body politic s unflagging determination and hope rather than military might or influential allies that form the movement s most unifying and powerful force for independence this book examines the many intertwining strands of decolonization in melanesia differences in cultural performance and political diversity throughout the region are generating new fruitful trajectories simultaneously black and indigenous solidarity and a shared melanesian identity have forged a transnational grassroots power base from which the movement is gaining momentum relevant beyond its west papua focus this book is essential reading for those interested in pacific studies native and indigenous studies development studies activism and decolonization
