readers of all ages will delight in this earthy and wildly fun children's tale that has a big message on the importance of

environmental awareness moving vast and refreshingly candid planet earth gets well by new author madeline kaplan helps young readers think proactively about their environment and pinpoints how to initiate meaningful change in order to make planet earth a healthier place when planet earth gets the sniffles mother nature challenges each of us to retract our gluttonous ways she instructs the planet earth to take better care of himself which means all humans must make big changes about key issues like global warming the melting of polar ice caps deforestation and energy depletion once planet earth sneezes mother nature listens and helps each and every one of us learn how to be good to our dear old friend this educational reader is wholly unique in the ways that matter think globally think green and act accordingly

Isit is based on the scientific foundation of quantum physics this deals with holistic structures and their interactions the high dynamics of life is achieved by constantly changing relationships and opportunities combined with a high gain of experience this improves the adaptability and the chances of survival everything is subject to a higher meaning communicated to us about spiritual needs we are spirit driven beings who inhabit a body subject to electrodynamic laws each action requires information and energy which we call up about our intentions diseases can be treated with medication these transmit certain healing information the Isit uses this information directly without need of pills that s what makes them so efficient it is capable of initiating healing processes even in advanced diseases the author dr bodo koehler md born in 1948 has more than 45 years of experience in the clinic and his own practice as an internist with extensive additional training since 1980 he has been one of the pioneers of bioenergetic measurement and therapy procedures a lot of his developments are now standard in many practices the author is a lecturer at home and abroad

words have power the most admirable people are the ones that can make them do magic but now we live in a time when words are thrown around like discarded plastic but there is the word we can t get away from the fact that god has chosen

to communicate with us nothing has changed that's what makes our current time so difficult we live in a post modern post religion post everything society our time is marked by a disdain for truth let alone the truth of god's word in a society that does not wish to listen to the truth pastors are still tasked with reaching the world with the truth of the gospel and yet how does one do that in preaching in a post truth world mike glenn a pastor of one of the largest churches in america with more than 30 years of pastoral experience offers wisdom guidance and insight for the pastors that seek to recenter the pulpit and preach the truth of god's word

4th ser v 1 4 includes the proceedings of the 1st 11th annual meetings 1848 58 of the maryland state agricultural society
